SUBMITTING PHIKEIA AND INITIATES

Below you will find step-by-step guide on how to submit your chapters Phikeia and Initiates. It is expected that any new Phikeia or Initiate is reported to General Headquarters within ten days of the accepting a bid or being Initiated.

1. Go to www.phideltatheta.org/myphideltatheta and log in.
2. Click on the tab that says Vault. Once in Vault, follow the below instructions to add Phikeia or report Initiates.

HOW TO REPORT PHIKEIAS

1. Click on Chapter, then Add New Member, and then Add Member.
2. The following fields are required to add a new member:
   a. First and last name
   b. Phikeia's email address, date of birth, cell phone, pledge date, and expected year of graduation
   c. You may be prompted to select a member status, if so, click Phikeia
   d. Parents/guardians first and last name, email, home phone, and address
3. Click on save and continue.
4. An additional screen will appear. This is a review screen. Hit enter, then click on Add Member to bring up a blank screen for the next Phikeia.
5. After submission each Phikeia will receive an email from MyPhiDeltaTheta asking each Phikeia to complete their account set-up. The Phikeia can update their profile and above information once registered throughout membership.

HOW TO REPORT INITIATES

1. Click on Chapter, then Member Initiation Reporting, and then click Create Initiation Report.
2. Enter in the term (semester/quarter), year, and date of initiation.
3. Click individually on each Phikeia and enter in the above information in the following formats:
   a. Date initiated: 00/00/0000
   b. Bond # (roll number): 01776 (enter as a five-digit number)
   c. Enter Bond number's in exactly as they were assigned within the actual Bond Book.
4. Double check your records and then click save and continue.
   d. A “pop up box” will appear that asks if the chapter wants the men listed in the order they were inputted. If the chapter clicks on YES, Vault will automatically change the men to alphabetic order and assign the bond numbers as such. The chapter officer must click on Save numbers as assigned, this will keep the bond numbers in the order they were assigned.
5. What is Hold and Release? If you submit an incomplete roster as an initiation report the option to “Hold and Release” will pop up. Select which Phikeia you want to hold to initiate at a later time (remember you are NOT allowed to skip or hold Bond numbers). Releasing a Phikeia is the same as Depledging.
6. Click save and continue, this will bring up the final step where you will “save and submit to headquarters for approval”. When you are ready to initiate any Phikeia that were 'held' simply re-start this process.

UPDATING OFFICERS THAT CAN ALTER THE ROSTER IN VAULT

Each chapter is to have four (4) men that have administrative abilities within Vault. These typically are the president, vice president, treasurer and Phikeia educator. To change who has access follow the below instructions.

3. Under user reason choose undergraduate officer.

4. On the right side of the screen use the pull down menus of Administration, Communications, Chapter, House, and National.

SUBMITTING A MEMBERSHIP RESIGNATION REQUEST
The individual seeking to resign his membership to Phi Delta Theta must submit a letter seeking resignation to General Headquarters to be put on the next General Council agenda to be voted on. These letters should be sent to the director of chapter services. The request must expressly state, from the individual, why they are seeking to resign their membership.

SUBMITTING MEMBERSHIP SEPARATION AND SUSPENSIONS
For the roster to accurately reflect that a member who been separated (expelled) by the chapter or suspended for a period of time not to exceed twelve months the chapter must submit the Suspension/Separation form found within the Forms section of MyPhiDeltaTheta.

If there are any questions about the form submission a representative of your General Headquarters team will reach out to the submitting member.

SUBMITTING A SPECIAL INITIATION REQUEST
Often chapters would to initiate someone (a father, faculty advisor, an older gentleman that was a member of a local fraternity, etc.) that is not an active student of the university.

The chapter may submit a Special Initiation Request for the General Council to consider at their next meeting. This request can be submitted within the Forms section of MyPhiDeltaTheta. Upon review from the General Council the chapter president will receive an email confirmation of the General Council’s decision and all, if any, necessary next steps.
