## PHI DELTA SUPPORT CENTER SLACK GUIDE

### What is the Phi Delt Support Center?

A space to engage with fellow Phi Deltas, specifically chapter officers and volunteers across North America built on Slack. What is Slack? Slack is a communications and collaboration tool that in an ever-growing virtual world will help us as officers and volunteers engage with one another in one space.

### How Do I Join It?

[Click here](#) to join the Phi Delt Support Center. Slack can be used within your web-browser, downloaded as desktop app on your computer, or as an app on your smart phone. If you are new to Slack, this guide will quickly show you the ins and outs. You'll also be guided through a quick tutorial upon joining the Phi Delt Support Center.

### Why Should I Use It?

We have all experienced how difficult it can be to engage and communicate across different platforms throughout the pandemic. Slack is where work gets done in dedicated spaces called channels. Channels bring the right people and information together for every chapter, officer role, or fraternal topic.

The below channels have been created. As usage grows so will channel options! Plus, there are over eighty custom Phi Delt specific emojis!

### Chapter Specific Channels:

As part of the enhanced chapter support this year, we've created a private, invite-only channel for each chapter. The goal of this channel is for chapter leadership, advisory board members, and the province president to have a direct link to their chapter's assigned staff lead. One space for the entire team to work together.

Chapter leadership, advisory board members, and the province president for your chapter will be invited to this channel by your staff lead in the coming days.

### PDT Nation Channels:

As we enter into the fall several topics are on the minds of the Phi Delt Nation. Best Practice Channels have been created for virtual chapter operations, recruitment, brotherhood, community service, philanthropy, and scholarship.

A specific channel for the *Weekly Six*, special Phi Delt announcements, networking, Phi Delt trivia, and sharing why you're proud to be a Phi also exist.

### Officer Channels:

We've created a specific officer channel for all chapter presidents, vice presidents, recruitment, risk management, treasurer, scholarship, Phikeia education, alumni secretary, awards, communications, community service, diversity and inclusion, family engagement, house manager, philanthropy, and social. These channels are the ideal place to learn from brothers from across the country as we navigate the unprecedented challenges brought on by the pandemic.

### Volunteer Channels:

A specific channel is created for the chapter advisory board chairs and recruitment, alumni relations, campus mentor, financial, Phikeia education, recruitment, and risk management advisers. A channel for house corporation members is also open to join.
