RE: Report from all Scholarship and Fellowship Judging Committees

Please find attached the report from all scholarship and fellowship judging committees. In addition to this information, a listing of other local scholarships awarded by the Foundation is provided. Judging for these scholarships is completed by local committees instead of our national judging committees. As in the past, the results are not considered official until received and approved by the Board of Trustees.

Combined summary of results:

2015	2016	Scholarship Type	2015	2016
51	75	Undergraduate	\$74,950	\$70,200
70	79	Local	\$14,400	\$32,450
10	12	Graduate	\$20,450	\$20,000
1	1	Francis D. Lyon	\$2,500	\$2,000
5	5	Conference Travel	\$1,122	\$1,982
38	58	Whole Man	\$38,000	\$58,000
0	0	LiveLikeLou	\$0	\$0
1	1	Colorado Alpha Legacy	\$900	\$3,000
176	230	Total	\$152,322	\$187,632

Impact changes made in 2016:

A key impact change made in 2016 was that we revised the Whole Man Scholarship application in order to make the application process more efficient, less time consuming, and overall better perceived by the applicants. We feel that since these applicants were nominated by their brothers, they shouldn't need to provide an extensive amount of information pertaining to their worthiness since their brothers have already deemed them deserving by the nomination.

Proposed change for 2017:

For the 2017-2018 scholarship year, we would like to highlight and feature those who received a scholarship during the previous year through social media and our website. The expected outcome is that more attention would be drawn to our scholarship program, bringing in more applicants and encouraging them to not only start an application to receive a scholarship, but ultimately complete that application so that they may be eligible.
